## Flight Assurance Announces a Change to Primary Business Location *New location chosen to better serve clients*

**Tucson, October 1, 2015:** Flight Assurance today announced the relocation of its primary business location to 10570 E Placita Chiapas, Tucson, Arizona.

The company's consultancy service unit was previously located in Upper Jay, New York, since the company's founding in 2009. "I am extremely pleased to be able to locate our business in a far more business friendly location which should enhance our ability to respond to our client's needs in a timelier manner," said J. Bruce Huffman, President and Chief Executive Officer of Flight Assurance.

"Our new location will enable us to quickly reach major airport hubs, permitting travel at lower costs to our client's locations while affording ease of access to Bombardier customers visiting Tucson" Huffman noted. Flight Assurance offers Global Express supplemental crew support and compliance services while providing services through affiliated companies to offer a variety of value added services to the operators of business aircraft.

Headquartered in Tucson, AZ Flight Assurance is one of the nation's newest aviation consultancies specializing in operational regulatory consulting services for the operators of business aircraft.
